

JOIN THE PROTEST

PRESTON

unite against fascism

Preston Trades Union Council

On Saturday 27 November the racist English Defence League intend to hold a protest in the centre of Preston. Where the EDL march and assemble unopposed they have launched attacks on minority and Muslim communities. In Dudley, Nuneaton and Stoke their presence led to vicious assaults on people because of the colour of their skin.

**NO TO THE EDL!
NO TO RACISM!
NO TO
ISLAMAPHOBIA!**

WE CANNOT LET THIS HAPPEN IN PRESTON!

We are calling on all anti-racists and all anti-fascists to join us in the centre of Preston to celebrate our multi-cultural city, to assert our commitment to anti-racism and to let the EDL know they are not welcome here.
